Addiction Medicine Accreditation Statement

This live educational activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Osteopathic Association (AOA) and the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Osteopathic Founders Foundation and Saint Francis Health System.

The Osteopathic Founders Foundation is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Osteopathic Founders Foundation designates Foundations in Addiction Medicine for a maximum of twenty (20) AOA Category 1-A credits. The Osteopathic Founders Foundation will report CME credits to the AOA for all osteopathic physicians who complete and return both an attestation form and program evaluation for all sessions attended. Credit will be commensurate with the extent of the physician's participation in this activity.

Saint Francis Health System is accredited by the Oklahoma State Medical Association to sponsor continuing medical education for physicians. Saint Francis Health System designates this live activity for a maximum of twenty (20) AMA PRA Category 1 credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Dr. Jason Beaman's lecture, "Opioids & Treatment", meets the Oklahoma State Board of Medical Licensure & Supervision's annual Licensure renewal requirement for one (1) hour of education in pain management or one (1) hour of education in opioid use or addiction as approved by the Oklahoma State Board of Osteopathic Examiners.
